HHS notifies selected candidates of their appointment near the start of the term in September or as soon as the HHS selection process is completed. Note that the need for different expertise varies from year to year and a candidate who is not selected in one year may be reconsidered in a subsequent year. SGE Nominees must be U.S. citizens, and cannot be full-time employees of the U.S.

Government. Candidates should submit the following items:

- Cover letter stating area of expertise
